Activities at Pacific Gateway Victoria, February 28 – March 27, 2010 - SESSION 3

Activities give you an opportunity to speak English outside the classroom, meet new people, see new places, and experience some of the things Canadians like to do. Cancellation Policy: If you sign up for an activity, you are committing to paying for the entire trip. Please do not cancel unless you have extreme circumstances. We may be able to find someone to take your place. Remember our activities are special because they are low cost! The school does not make money from the trips, and we run the activities ourselves, so no other company makes money eh.
